

High School Planners

Our High School Planners all come with Educational Tips, including *Internet Safety Tips*, *Instruction on How to Create Passwords*, *Discussion on Cyberbullying*, and *How to Communicate Effectively* (Face-To-Face), to name only a few. After all the helpful information in the front of the planner, it transitions into the weekly calendar pages, including a place to write *Goals & Notes*, the current month grid at a glance and *inspirational quotes* to provoke thought and stimulate the mind. Besides all that, there are also 4 sheets (8 pages) of *Hall Passes* at the end of the planner.

The *front covers* are not laminated, but have a plastic overlay sheet, and the *back covers* are laminated. The covers, of course, are completely customizable.

Also, if you choose, we can include your *student handbook* in the front of the planner. That can be submitted either ready to print in .pdf form, or as a Word document (.doc file, please, not .docx) to be formatted by Jumbo Jack's. A proof copy is sent to you of the handbook before printing.

Even though we advertise these 5 1/2 x 8 1/2 planners as High School Planners, many of our Middle Schools feel they fit the bill for their students as well. And many Middle School Students prefer the smaller size, so they work well for either group of students.
